

ABOUT HILLMANCURTIS, INC.

hillmancurtis, inc. is a New Media design-shop in New York with over 20 years of combined experience. Principal and Chief Creative Officer Hillman Curtis founded the firm in 1998, after three years as Art Director at Macromedia, Inc. Following his passion for design, Hillman has earned and maintained his status as a leader in the new media design industry. He and his company have advised and designed digital media for such companies as Adobe Systems Incorporated, Hewlett Packard Company, and MTV among others.

EXPERIENCE

We have extensive experience in the following areas:

Web design, usability and technical strategy

Rich Media including Flash and streaming video

Broadcast design

Brand development and strategy

Print design

Professional copywriting

We have proven our capabilities working with some of the world's top brands, yet we approach each new project with a fresh, collaborative spirit to ensure the best, most compelling work possible.

Our emphasis on combining simplicity with elegance to create sophisticated yet intuitive designs has earned our shop some of the industry's highest awards and distinctions. Additionally, we have been covered by such design magazines as Communication Arts, Print, HOW, and RES. For complete lists of former clients and awards, please see the attached pages.
